A Neighborhood Like Neighborhoods Used To Be

Staying Connected to the Community

One of the extraordinary features of All Saints Neighborhood is the programming that keeps our assisted living and memory care residents engaged and connected to the greater community. Over the past few months, our campus bus has made trips to a number of area eateries, Olbrich Gardens and a St. Ambrose Academy performance of “The Music Man” at Badger Ridge Middle School PAC. Our creative and dedicated Activity Director, Activity Assistants, bus drivers and staff work together to organize outings that provide opportunities to reminisce, delight the senses and foster new memories.

Visits from the Younger Generation

It's always a joyful time when the younger generation comes to visit. Care Coordinator Amy's children Ava and Levi sang and played piano and students from Divine Mercy Academy acted out the Stations of the Cross. St. James Catholic School students sang for Mass and decorated cookies with residents, Our Lady's Good Helpers Preschool Co-Op brought lots of love and smiles, and St. Ambrose Academy students played games and fulfilled service hours helping with cleaning projects. Each of these groups is a delight and we appreciate them all!

Giddy-Up & Olè!

Folks across The Neighborhood love to celebrate Cinco de Mayo! Apartment tenants enjoyed a special Happy Hour, but the assisted living folks took a different approach. Since the Kentucky Derby was held on May 6, they celebrated Cinco de Mayo at the Kentucky Derby! A very creative dice game was played to determine the winner of the race and afterward, instead of Mint Juleps, Margaritas and Taco Pizza were served!

Thank you, Donna!

All Saints Neighborhood is proud to be owned by Catholic Charities of Madison. One of the programs they offer is CompanionCare, which assists older adults with support, dementia care and more both in their homes and in senior living residences. Donna has been the CompanionCare Coordinator for 12 years and she retired at the end of April, so folks from the assisted living and memory care residences hosted surprise parties to thank her for all her compassionate care and quality service over the years. She will be missed!

So Much Variety!

The Senior and Main Street Apartment staff members work together to offer programming that appeals to a variety of interests. Just this spring, tenants took in a performance of the Degree Piano Trio at the Stoughton Opera House, attended a UW-Madison women's basketball game, welcomed presenters on Arboretum restoration and the book, "Treeson: An Apologia to Trees", visited Hinchley Dairy Farm in Cambridge, paddled around Lake Wingra, toured Epic in Verona and the Madison Central Library, hosted their annual pancake breakfast, held an Easter bonnet party, celebrated Mother's Day and hosted a Memorial Day cookout!

Earth Day

As a way to commemorate Earth Day in April, some of the men at the assisted living residence built bird houses to put in the trees around the building. A big thank you to Maintenance Tech Tom for sharing his expertise!

How to Support The All Saints Mission

All Saints Neighborhood provides two ways those who value our care and service can make a gift to support our physical buildings, services and programming. Gifts can be made to a specific residence (for example, All Saints Memory Care) to be used for Staff Appreciation or Resident Programming. Gifts can also be made to The Family Heritage Program to enhance the mission of All Saints through the following six areas of focus: The All Saints Chapel, Wellness Center, Gardens & Greenhouse, Technology & Education, Financial Assistance and the Area of Greatest Need. These gifts are recognized on the donor wall in Main Street. For more information about either of these giving options, please contact Community Relations Coordinator Donna Malaise at 608-827-2772 or dmalaise@elderspan.com.
