A Neighborhood Like Neighborhoods Used To Be

Summer Parties Again Include Families

Summer is always a time for joyful gatherings, but this year was extra special! How wonderful to be able to welcome family members back for our annual summer parties after a three-year pause due to Covid restrictions. In June, the memory care residence hosted a hoedown lunch on the patio with entertainment by KG and the Ranger. In July, the assisted living residence had a beach party picnic with music by Shekinah King. So many smiles. A BIG thank you to staff and volunteers who helped make each of the events a success!

A Very Special Visit

How exciting to have Madison Mounted Police Officers Molly and Cat and their impressive horses, Thor and Doctor B, visit in July! The family of Margie, a previous assisted living resident, has ties to the original owner of Thor, a Clydesdale/Hackney, and the visit was originally planned as a surprise for Margie's birthday. Unfortunately, Margie passed away before the event, but the family still wanted the visit to go forward as a memorial to their mom. The officers visited different parts of the All Saints campus, explaining what a typical day is like for Thor and Doctor B and giving everyone a chance to interact with the horses if they wanted to. A very big thank you to the family of Margie, Officers Molly and Cat, and Activity Director Tammie for arranging this unique and memorable event! It will not soon be forgotten!

Celebrating Dairy Month

June was Dairy Month, and that's always an excellent reason to indulge in all sorts of delicious treats like ice cream sundaes, root beer floats, cheese fondue and even a cheese tasting contest in the assisted living residence! June and Mary were the big winners!

Blessing the Garden

Earlier in June, Senior Apartments tenants and Garden Club members gathered with Reverend Monsignor Daniel Ganshert for the annual blessing of the raised garden beds. A big thank you to the members for all their work! The patio is beautiful!

Music & Memory Matinee

Early in June, 35 assisted living and memory care folks went to the Music and Memory Matinee at the Middleton Performing Arts Center. The Friends of the Performing Arts Center, in partnership with Middleton Dementia Friendly Community Coalition, welcomed the Larry Busch Big Band for a wonderful concert in recognition of Brain Health Month. Everyone had a fabulous afternoon!

Apartment Tenants Savor the Delights of Summer

The June and July calendars for tenants of the Senior and Main Street apartments were full of marvelous things to do, as usual. There were summer pictures to paint and trips to "Blooming Butterflies" at Olbrich, the Vilas Zoo, Rock N Wool Winery in Poynette, and a Mallards Game with the Diocese of Madison Apostolate for Persons with Disabilities. They also enjoyed cookouts for Father's Day and the Fourth of July, a pontoon boat ride and a presentation about China by Senior Apartments tenant Paul, who has a Ph.D. in Economics.

Nothing Like Four-Legged Friends

Spry little Poppy and stunning white Finn certainly look very different, but both dogs bring so much love and joy when they visit the assisted living and memory care residences. Memory Care folks also took a trip to the Dane County Fair in July and had a delightful time meeting 4-H students and their animals.
