A Neighborhood Like Neighborhoods Used To Be

Happy Fall, Y'all!

All Saints Neighborhood knows how to have fun no matter the season! What a joy to see all the smiles as folks across the campus tried a new hobby at our Paint and Sip program, made a scarecrow, painted pumpkins, welcomed trick-or-treaters and dressed up in hilarious costumes. Their zest for life is contagious! Thank you to Our Lady's Good Helpers Preschool Co-op in Madison and all the family members and kiddos who stopped by during the Halloween season. Your visits are always a delight!

Go-Go-Go!

The sign cheering on the Women Badgers could be the motto for the apartment tenants at All Saints. They are always on the go! Over the past two months, besides attending the Wisconsin Women's Basketball game, they went to the Verona High School performance of "Cinderella", "Titanic" at The Fireside Theatre in Fort Atkinson, and a Marvin Rabin String Quartet concert at the Stoughton Opera House. They marveled at the fall colors on a trip to Tumbled Rock Brewery and Ski-Hi Fruit Farm in Baraboo and enjoyed a catered Thanksgiving meal and special time together.

One Last Fall Trip

What a beautiful early October day it was when the assisted living folks took a trip to Baraboo! They had a lovely picnic at Devil's Lake and a very interesting guided tour at the International Crane Foundation.

Honoring Our Veterans

There were a number of celebrations to honor our resident veterans this year. The Monona Senior Chorus put on a great performance to a packed Towne Square, and ten assisted living and memory care resident veterans were each awarded a beautiful Quilt of Valor by Sugar River Quilts of Valor in Belleville.

Welcoming Special Students

We're so blessed to have strong relationships with Edgewood High School and St. James Catholic School in Madison. The goal of Edgewood's Smile Club is to share smiles with the community, and the students accomplished that as they played games and made a pumpkin craft together with assisted living folks. And the memory care folks and 6th grade students from St. James had a great day together, eating a delicious picnic lunch and walking around the Henry Vilas Zoo.

Wellness is in the Cards

Wellness Coordinator Kaden is getting the campus into shape, leading exercise classes in the Wellness Center and the assisted living and memory care residences and promoting Healthy Happy Hours. Recently Wellness Center members did a Deck of Cards Workout. Everyone picked a card, and each suit was a different exercise and the number determined how many reps had to be done. Fitness can be fun!

Sharing Important Information

We were pleased to welcome former Dane County Sheriff Dave Mahoney for a presentation about human trafficking. He's been sharing this information with various parishes in the Diocese of Madison and there was quite a bit of interest in the subject among the tenants and residents.

Grateful for Handfuls of Blessings

Activity Assistant Shannon painted a beautiful tree and staff and residents have been adding "leaves" made from their handprints, personalizing them with things they are thankful for like good health, laughter, pets, family, video games, teamwork, cardinals and a great job at All Saints. We are thankful for all the residents, families and staff members who make up our All Saints Family!
