A Neighborhood Like Neighborhoods Used To Be

Staying Connected to the Greater Madison Community

One of the extra-special features of living at All Saints Neighborhood is the programming that connects folks to each other and the community. Over the past few months, the campus bus has made trips to a number of area restaurants, Timbavati Wildlife Park in Wisconsin Dells, a UW Varsity Band concert, the UW-Madison Arboretum and the New Glarus Brewery. Thank you to our creative and dedicated Activity Director, Activity Assistants, Property Managers, Property Coordinator, bus drivers and staff members for working together to organize outings that provide opportunities to reminisce, delight the senses and foster new memories.

Special Days call for Special Celebrations

Cinco de Mayo and the Kentucky Derby are always fun events to celebrate! Who doesn't love an opportunity to wear fun hats!? Margaritas, nachos and sombreros were on tap for Cinco de Mayo. For Derby Day, it was Mint Juleps, ham and swiss sliders and elegant hats the ladies decorated themselves.

Dancers Share Their Talents

What a treat to have two amazing dance groups perform in May! The Stoughton High School Norwegian Dancers put on quite a show on the Senior Apartments patio on a Sunday afternoon. The weather was gorgeous, so a number of Main Street tenants could also enjoy watching from their patios, too. It is extra special that one of the young men was a tenant's great-nephew! The Magnum Opus Ballet Company in Madison has performed at All Saints before, and this time they shared their talents and time with the memory care residents. It's hard to say what is more beautiful - their dancing or the time they take afterward visiting.

Volunteers are Appreciated

April is Volunteer Appreciation Month, so apartment staff put on a thank you reception for tenants who give of their time on the campus. These dedicated individuals work in the store, serve during Mass, plant flowers and help with a host of other tasks. Thank you to each of them!

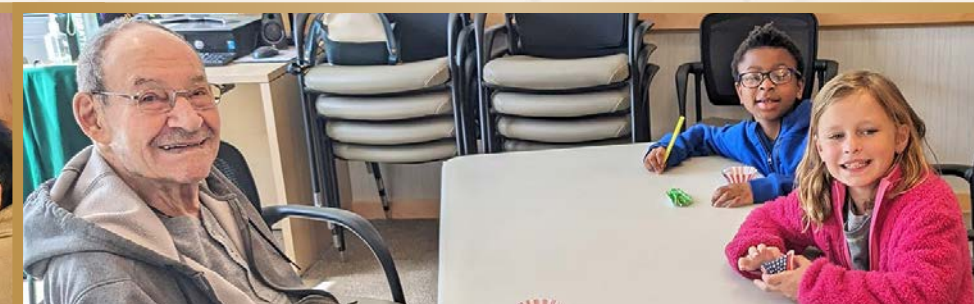

Thank You From a Family

Memory Care Administrator Jessica and her staff were honored to receive a generous gift from previous resident Eileen's family as a thank you for the wonderful care she was given. The gift was used to purchase a delicious lunch for all shifts from City Barbecue in Madison. What a privilege to walk beside seniors and their families on the aging journey.

Students Bring Lots of Smiles

The campus was full of laughter and liveliness when 65 students from St. James Catholic School in Madison attended Mass in the Main Street Chapel at the end of May. What a joy to hear their voices raised in praise! After Mass, the kiddos split into three groups – two made a craft with apartment and assisted living residents and the other sang at the memory care residence. Afterward, the students had a picnic at the park. What a blessing visits from the younger generation are!

Thank You to Our Moms

Mother's Day is an opportunity to honor all mothers and remember their love, sacrifice and resourcefulness. The apartment ladies had a delightful brunch and the assisted living and memory care ladies and their loved ones enjoyed cheesecake socials.
