A Neighborhood Like Neighborhoods Used To Be

“Ageless Adventure” at All Saints Neighborhood

National Assisted Living Week is an annual September highlight, recognizing our incredible staff members and the seniors at our assisted living and memory care residences. This year’s theme was “Ageless Adventure” and included a Casino Day, Mystery Adventure bus tour, treats from the Vesperman Farms ice cream truck and a family gathering for Grandparents’ Day. Our staff members are the heart and soul of All Saints Neighborhood, and we give them our thanks and respect for their compassion, patience and selfless dedication.

Sharing Stories of the One That Got Away

In August, the memory care men had a delicious cookout and conversation about a mounted Northern and deer antlers that Administrator Jessica brought in. Hunting and fishing adventures make for great memories!

Food, Fun and Fall Frolics

August and September had so many opportunities for apartment tenants to make new friends and memories! A Lake Monona pontoon ride and trips to area restaurants and interesting destinations got folks out on beautiful fall days. And happy hours, socials, potlucks and cooking classes made sure no one was bored or went hungry! The days are full at All Saints!

Better Late Than Never!

It was disappointing that a heavy downpour during the July assisted living family party forced the cancellation of Havens Petting Farm from Blue Mounds. But we're so thankful they were able to reschedule! Everyone had a fabulous time visiting with the animals on a beautiful day in August in combination with an ice cream social. Those sweet little critters made everyone smile!

The Younger Generation Brings Lots of Smiles

What a joy it was to welcome some special young people the past two months. Thank you to Property Manager Michelle's kids, Ashton and Ella, for serving at the August birthday party, and to Edgewood High School students for helping with light cleaning tasks for a service day. And to the 6th grade students and teacher Mary from St. James Catholic School – we so appreciate you sharing your time with memory care folks on a trip to the Henry Vilas Zoo! We hope each of these young people will consider working at All Saints in the future!

Merrimac Picnic Fun

Folks from the memory care residence traveled to Merrimac for the annual picnic with sister residences Meadow Ridge Senior Living in Baraboo and The Pines Senior Living in Prairie du Sac. It was a picture-perfect day for a cookout, music, dancing and pontoon rides on Lake Wisconsin with ElderSpan President and CEO, David Griffin. Thank you to all the staff members who worked so hard to make this amazing day such a success!

Enjoying the Beauty of Olbrich Gardens

Both the assisted living and apartment folks took trips to Olbrich Botanical Gardens recently. What a blessing to have a treasure like this in our community.
