## *The All Saints Connection*

One of the most powerful benefits of choosing to live at All Saints Neighborhood is the richness of daily life. Opportunities for connection occur every day – connecting with staff members, family members, with the community, with four-legged friends and with others walking on the aging journey. Good neighbors become good friends, they support each other, gather to celebrate milestones, cheer each other on, and hold tight when life gets bumpy. No matter where you live, All Saints Neighborhood is a place where friendships are forged, neighbor helps neighbor, and the community is bonded together by shared values.

## Volunteering Their Time

We are so blessed to have a number of Catholic schools who visit often! A big thank you to the students from St. Ambrose Academy for spending a service day in March with us, doing a variety of spring cleaning projects. We so appreciate their hard work and enthusiasm!

## A Special Valentine Celebration

A huge thank you to officers from the Madison Police Department for attending the assisted living "Police Be My Valentine" social. They were to be the guests of honor, but they honored residents by bringing flowers and chocolates. What a joy to spend time with these fine men and women, and we thank them for their dedication to our community.

## Pet Therapy Thank You

Thank you to Lauren and Stacie from Underdog Pet Rescue of Wisconsin in Madison for donating puppy time to assisted living folks. Chloe, LuLu and Paisley brought so many snuggles to staff and residents alike!

## So Many Reasons to Smile

Holidays in February and March were great reasons to party during the doldrums of winter. Art projects with kiddos, exchanging valentines and a Galentine's Day breakfast were highlights from Valentine's Day. Folks enjoyed a jazz piano lounge by Activity Assistant Alexa, a concert by the Dixieland Allstars and lots of beads and masks for Mardi Gras. And everyone was Irish for St. Patrick's Day!

## Variety Adds Spice to Life

We say if often, but the calendars were FULL in February and March, and they seemed to offer something for everyone! If you like art, there were painting classes. If you like sports, you could cheer on the Wisconsin Women's Basketball team or the Brewers for Opening Day. If you like trips, you could go to the Renaissance Dog Show or the Hoard Museum. And if you needed a reason to laugh and be young at heart, a Carnival, Tropical Luau or Spring Break Party delivered just what you were looking for.

## Student Dancers Amaze with Their Talents

What a treat to have two dance performances recently! Students aged 11-18 from the Central Midwest Ballet Academy put on a beautifully graceful show in both the assisted living and memory care residences. And the dancers from Trinity Academy of Irish Dance brought an early St. Patrick's Day celebration to folks at the assisted living residence. Those talented young people could really kick up their heels!
