All Saints Neighborhood - A Continuum of Caring

When a person moves to All Saints Neighborhood, they have the reassurance of priority access to other living options should their needs change. The ability to age in place means continuing to stay connected to old friends and receive care of the highest quality from our excellent staff members.

Two recent real-life examples are shown in these pictures. Every three months, Senior Apartment tenants who've moved to the assisted living residence enjoy a social hour with their apartment friends. It's a highlight for everyone who attends! And our All Saints Singers, a group who sings familiar sing-a-long songs under the direction of Activity Assistant Alexa, sang at the memory care residence. It was so lovely catching up with special people, and as one tenant said, "Music is magic for all of us."

We're honored to provide opportunities to foster strong relationships, no matter where you live at All Saints.

Let's Play Pool!

The pool table in the Senior Apartments Lodge has new felt! If you're interested in learning how to play, Main Street Apartments tenant Rich would be happy to teach you. Let's get the balls rolling!

Fostering Purpose & Relationships

One of the most impactful parts of All Saints Memory Care is the quality of the activity program, which strives to help each person feel supported and experience a purposeful life. Music programs, trips to interesting destinations and creative pastimes not only give folks a renewed zest for life; they also give families new things to talk and laugh about. Long-term caregiving can bring emotional strain, so we're honored to take on the care so families have more time for smiles and love.

Apartment Tenants Keep the Campus Bus Busy!

You never know where the apartment tenants are going to head next! A favorite excursion is going to music performances, and over the last two months they traveled to The Fireside Theatre in Fort Atkinson to see "Hairspray" and to Verona to see "The Pirates of Penzance" put on by students of St. Ambrose Academy. Folks are also interested in learning new things, so a trip to the family-run Tower Rock Bakery in Prairie du Sac and the Kelch Aviation Museum in Brodhead were well received.

Thank You to Our Volunteers

April is Volunteer Appreciation Month, so staff put on two events – one to thank community members and the other to thank campus residents. Both of these groups generously share their time and talents, enriching daily life at All Saints Neighborhood.

No Matter the Weather, Live Life in Full Bloom

Though folks stay active throughout the winter, once the weather starts to warm up everyone is excited to get outside! Assisted living folks helped with planting and took a stroll through Olbrich Gardens. Apartment ladies took a trip to see spring waking up at Janesville Rotary Botanical Gardens.

Children Share the Easter Message

Heartfelt thanks to the 3rd and 4th graders from St. Maria Goretti Catholic School in Madison for reenacting the Stations of the Cross during Lent. It was so meaningful that they shared this traditional Catholic Church devotion which commemorates Jesus' journey to Calvary.

Cinco de Mayo

All Saints seniors are young at heart! They know laughter is good for the soul, and our staff members give them lots of reasons to do just that. Cinco de Mayo meant sombreros, maracas and margaritas for all! Olé!
