Making the Most of the Summer Days

Summer is fading in the rear-view mirror, but before it disappears from view, we wanted to share some of the highlights! Root beer floats in the courtyard and bus trips topped off with Culver's chocolate shakes. Pontoon boat rides on our beautiful lakes, harvesting produce from our raised gardens and visiting area wineries and farms. And a big thank you to all the friends and family members who attended the memory care family party. It was a gorgeous day to be out on the patio, enjoying lunch, dancing and precious time together.

Cheers to 10 years!

At the end of August, the campus celebrated the 10-year anniversary of the Main Street expansion. This includes the assisted living residence, Main Street Apartments, the Main Street Chapel, greenhouse and wellness center. There was an anniversary happy hour with a special song by tenant Rosanne, a cookout, a courtyard concert and lots of sharing of memories.

Stay as Busy as You'd Like to Be

August and September were busy like all the other months for the apartment tenants. There are always lots of activities available for folks to choose from. Wagon rides and duck boat rides are great ways to see nature's beauty, and trips out and about almost always include a great place to enjoy delicious food – like Daylene's Supper Club in the Dells or going to a show at The Fireside Theatre in Fort Atkinson. Above all, the most important part is spending time with dear friends.

Honoring Gerry Ring's Vision

All Saints Neighborhood is the culmination of a vision created by three gentlemen in the early 2000s: Gerry Ring, a Catholic Charities board member and real estate developer; Joe Tisserand, also a Catholic Charities board member, and Brian Cain, a past President of Catholic Charities. These gentlemen had a dream of a Catholic-sponsored retirement community for Madison and the surrounding area, and in 2004, the first phase was completed – All Saints Senior Apartments.

In 2008, an assisted living and memory care residence was added to the campus. In 2016, the Main Street expansion was built, which included the assisted living residence, Main Street Apartments, the Main Street Chapel and other amenities.

After Gerry passed away in May of 2025, Joe wanted to memorialize Gerry's role in the development of All Saints, so he made a gift to the Family Heritage Program which was used to create a plaque which documents the history. Late in September, Gerry's family and friends gathered for a blessing of the plaque by Rev. Msgr. Daniel Ganshert, and it's now located in the courtyard, in front of the Chapel.

Thank you to Gerry, Joe and Brian for their dedication to seniors. Your legacy will live on at All Saints Neighborhood – in the Masses that are celebrated in the Chapel, in the health care and support that are provided by our compassionate staff members, and in the conversation and laughter that echo through its halls.

Celebrating Assisted Living Week

Each September, a week is designated to honor those who live in assisted living residences and the dedicated staff members who support them. Grandparents' Day kicked off the All Saints celebration. Thank you to all who visited! There were also dress-up days, prize drawings and a resident and staff picnic. The Vesperman Farms ice cream truck from Lancaster made its annual delivery of ice cream treats to the assisted living and memory care residents and to the staff members, courtesy of ElderSpan Management, who operates the campus.
